

TARGA 45 GT

We're going places. Join us.

A WINNING FORMULA FOR EFFORTLESS ESCAPES.

With a thrilling and award-winning pedigree, the Targa 45 GT does, of course, have a lot to live up to.

So, our expert designers and craftsmen have ensured beautiful styling inside and out will take it beyond these expectations. Because when you have the renowned Fairline DNA in every line and curve, you demand everything to be in perfect harmony.

Take your time planning the day ahead from the luxury of the configurable cockpit. Enjoy the warmth of the sun while relaxing on the large sunbeds. And later, as the afternoon becomes evening, launch the tender from the garage and head to your preferred dinner spot, knowing that when you return, the Targa 45 GT will welcome you back for a night of rest and recharging.

With Volvo IPS 600 or 650 engines, there is an outstanding performance that the Targa 45 GT is waiting for you to experience. Set a course for whatever private beach or part of the ocean you want to call yours for a while and head there, safe in the knowledge that any journey will be a simple and effortless one.

BEAUTIFULLY FINISHED INSIDE AND OUT

In the spirit of building the perfect yacht at every possible level, we have also carefully created four different interior design schemes for you to choose from:

Amalfi

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi Coast.

Capri

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

Hamptons

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

St. Tropez

An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.

CAREFULLY CONSIDERED PROPORTIONS
