# INCREASED IN SIZE, ELEVATED IN STYLE

## Taking perfection to even greater lengths

The Targa 65 GT is designed for living. A home from home and a space to entertain on a much grander scale. Power and grace combine in a beautiful expression of superyacht designer Alberto Mancini's original design and is a glorious legacy to that simple sketch.

Thanks to his innovative sense of flair, every extra inch is used to maximum effect. The extended saloon is the perfect place to socialise with guests or plan your day's excursions, while the spacious foredeck invites you to stretch out and unwind whenever the mood takes you.

# GRANDER IN SIZE, SAME MINUTE ATTENTION TO DETAIL

Along with the rigorous and proven naval architecture by renowned Dutch firm Vripack, the Targa 65 GT is of course matched with the unparalleled craftsmanship you'd expect from any Fairline yacht. And that's not all, from bow to stern this stunning yacht is packed with luxurious and stylish features that make each new day on the water, more memorable than the last.
